VOLUME 4. MARYVILLE, MISSOURI, WEDNESDAY, APRIL 1, 1914. NO. 259.

TICKET IS CHOSEN

AT NON-PARTISAN CONVENTION HELD TUESDAY EVENING.

A LARGE CROWD THERE

Gus Romasser Picked For Mayor by Acclamation—Convention Opened by Mayor Robey.

Mayor—Gus Romasser.
Collector—J. G. Grems.
Marshal—E. C. Moberly.
Alderman first ward—Jesse Fisher.
Alderman second ward—C. F. Welborn.
Alderman third ward—H. L. Raines.
Alderman fourth ward—W. A. Tindall.

The above is the non-partisan ticket nominated at the convention Tuesday evening. About 500 people were in attendance, one of the largest crowds that ever attended a non-partisan convention.

The convention was called to order at 7:30 by Mayor A. S. Robey. Mr. Robey said that the convention was called by the city council for the purpose of selecting for the city offices good men who would devote their time to the city's interests. He stated that the convention was open to all citizens of Maryville, and asked that the best men possible be picked for the city offices.

By a unanimous vote George Pat Wright was selected as chairman and George B. Baker as secretary of the convention. On motion of J. S. Shinabargar the offices were taken up in the following order. Mayor, collector, marshal and an alderman from each ward.

R. F. Hamblen nominated A. Romasser for mayor. As there were no other nominees, Mr. Romasser was declared the nominee of the convention by acclamation. Through a storm of applause he proceeded to the front and made a speech.

Will Hughes placed in nomination for collector, Mr. John G. Grems. Mr. Grems was declared the nominee of the convention by acclamation.

The convention looked for a contest for the office of city marshal, and everyone was surprised when only one man was nominated. E. E. Williams placed in nomination E. C. Moberly, whom he said was Maryville's best chief of police. Mr. Moberly was declared the nominee by acclamation. The chief was called on for a speech and complied with the request in a very pleasing manner.

The convention was divided into the four wards so each ward could select its own candidate. In the first, Jesse Fisher was placed in nomination by H. F. Leet. Mr. Fisher was declared the nominee for alderman from the first ward.

In the second ward C. F. Welborn was selected as alderman by acclamation. In the third ward two candidates were named, H. L. Raines and Charles McNeal, Mr. Raines winning by a vote of 21 to 10.

In the fourth ward W. A. Tindall and Ben Hildreth were placed in nomination. Mr. Tindall won by a large vote, 138 to 27.

To the Voters of Maryville:

We, the undersigned, having been solicited by a large number of voters of Maryville, by petition, to become candidates on the People's ticket for city offices at the coming city election, as follows:

For mayor—U. S. Wright.
For city marshal—E. C. Moberly.
For collector—Sam G. Selecman.
For alderman first ward—Hal T. Hooker.
For alderman second ward—Frank Garrett.
For alderman third ward—Charles McNeal
For alderman fourth ward—W. A. Tindall,

Do hereby accept the nomination on said ticket as above set out, and respectfully solicit the support of our friends in our behalf.

U. S. WRIGHT.
E. C. MOBERLY.
F. L. GARRETT.
HAL T. HOOKER.
W. A. TINDALL.
SAM G. SELECMAN.
CHARLES M'NEAL.

Went to Ford City.

Miss Nelle Lynch went to Ford City Wednesday on account of the illness of her brother, J. A. Lynch, who has been very sick of pneumonia. He is much better at present. Mr. Lynch's parents, Mr. and Mrs. Dan Lynch, went over to Ford City last week.

TEACHERS MET AT RAVENWOOD.

Organized Last Wednesday For Graduating Exercises and Field Meet For April 18.

The teachers of Jackson township met at Ravenwood last Wednesday evening and organized for the coming graduating exercises and field meet, which will be held on April 18. The following officers and committees were selected:

Chairman—Earle C. Duncan.
Secretary—Vera Wells.
Treasurer—Louise McCann.
Starter—Supt. W. M. Oakerson.
Referee—Rev. C. O. Ransford.

Judges—Euphamia Heflin, Martin Ferril, F. G. Graf, C. C. Tebow, Robert Birbeck.

Committee on prizes—Eudora Day, Maude Evans, Blanche Rimel, Neva Noland, Rosemary Bishop.

Committee on program—Maude Evans, Euphamia Heflin, Vera Wells, Catherine Sweeney, Leland Richards.

Time keepers—Blanche Bloomfield, Edith Marsh.

The events of the field meet are a 50-yard dash, 100-yard dash, 440-yard dash, running broad jump, running high jump, high kick, hopping race, three-legged race, shot put, discus throw, pole vault, ball throwing, riding lance contest, hitching contest. The contestants will be divided into classes of weight and grade.

They expect to have a good meet. The teachers were all enthusiastic and promised to furnish contestants.

The lance contest will be novel and will require some skill in riding. A number of the girls will enter this contest.

Prizes are offered in each event. A large blue pennant will be given as first prize, a red one for second and a white one for third. The expense of the meet will be met by the districts of the township.

The graduating exercises will be held at night on April 18 at the Christian church in Ravenwood. President Ira T. Richardson of the Maryville Normal will deliver the class address. The graduating exercises of the Ravenwood high school and Jackson township will be held jointly this year, since there is but one graduate from the high school.

Over forty pupils will take the examination here on April 10th and 11th, and the class will more than likely be a large one.

MISS HOFFMAN CHOSEN.

Normal Student Will Fill Vacancy in DeKalb High School Faculty.—Left Wednesday.

Miss Dale Hoffman, a daughter of Mrs. Leslie Dean, left Wednesday morning for DeKalb, Mo., to take charge of the classes in Latin and mathematics in the high school there until the end of the school year. A vacancy in this faculty was caused by illness. The superintendent of the schools phoned to the State Normal faculty at Maryville Tuesday afternoon to secure a teacher for his school and Miss Hoffman was recommended. Arrangements were made with her for acceptance about 6 o'clock in the evening.

Miss Hoffman is the youngest member of the senior class at the Normal, and her selection for such a position structors. She will make up her class study during the summer time.

Rainfall For March.

The rainfall for the month of March was 3.46 inches, according to the report of Weather Observer Brink. This rainfall record has only been exceeded once for March since the records have been kept here and that was in March, 1901, when the rainfall amounted to 4.18 inches.

Visited in St. Joseph.

Mr. and Mrs. P. J. Tobin have returned from a few days' visit at the home of Mrs. Tobin's brother, D. F. Sherlock, in St. Joseph. Their son, Thomas Tobin, a student at St. Benedict's college at Atchison, Kan., joined them in St. Joseph Sunday.

Prayer Meeting Tonight.

The Buchanan Street Methodist church will hold its prayer service this Wednesday evening. The pastor, Rev. J. D. Randolph, is still in Louisville, Ky., in a revival meeting with his brother-in-law, Rev. Dr. U. G. Foote.

Coming From Arkansas.

Miss Susie Ellison went to St. Joseph Wednesday morning to meet her sister, Mrs. E. D. Holland of Hot Springs, Ark., who is coming to Maryville on a visit to her parents, Judge and Mrs. W. C. Ellison.

Visiting in Kansas City.

Miss Jessie Parcher went to Kansas City Tuesday evening for a few days' visit with her sister, Mrs. George DeVoe.

Statement of People's Candidate For Mayor

Editors Democrat-Forum:

As my name has been mentioned as a candidate for Mayor on the People's ticket, I will say: Upon the receipt of petitions signed by a large number of prominent citizens, business men, laboring men, bankers and ministers of the churches of the city, I have concluded to accept the candidacy for mayor on the People's ticket.

The men who are back of me are supporting me in the interest of a better and bigger Maryville. Whatever the outcome of the present campaign, I am proud of their support and ask my opponent to say who is back of him.

In order to make my position clear on the vital issues that may be discussed during the campaign, I will say that neither myself nor my friends have any axe to grind. I have made no promises compromising myself in any manner. I will have a free hand in the proper conduct of the city's affairs. My position will therefore be free on any ulterior or mercenary motives, and I promise that if elected I will use my best judgment and every effort to manage the city's affairs in a business-like and efficient manner. I also assure you that I will be fair with all the different interests of the city and that I will use my best endeavors to see that the laws and ordinances of the city are enforced.

I have no hesitancy in stating that as a matter of principle I stand for temperance, and have so stood and voted for several years. As Mayor of the city I pledge the people that the saloons will have to obey the law.

The municipal water plant, being the largest financial institution of the city, and one in which every citizen of the community is intensely interested, should not in my opinion become an issue in this campaign and nothing should be done to hamper its success. To prevent the possibility of its becoming an issue, I invite my opponent to join with me in a statement to the people that the Board of Public Works shall be composed of capable men who will do their utmost to secure the greatest possible success of the plant, and that no political or personal prejudice shall be permitted to influence the conduct of the plant or the members of the Board of Public Works.

If the people of Maryville want me to be Mayor on such a platform I shall consider it my chief pride to serve the city in this capacity; if not, I shall accept their decision with grace and good will.

I was born in Nodaway County, near Maryville, and have lived in the County all my life and feel a just pride in calling Maryville my home. If I can be of use to the citizens, I am at your service and will appreciate your confidence in me.

$140,000 SAVED TO STATE.

$300,000 of Capitol Building Bonds Retired by Fund Commissioners.

That the Democratic state administration is intent on saving money to the taxpayers is shown by an order of the state board of fund commissioners today for retirement of $300,000 of the capitol building refunding bonds. These will be canceled during the week.

The date of maturity of these bonds is 1925, and the rate of interest is 3½ per cent, so that the interest saved on the bonds aggregates $126,000.

In addition to this, the state saves in commissions $14,297.88, which would have had to be paid, under the contract for the sale of the issue had this lot been issued.

TO SELECT DIRECTORS.

Meeting Will Be Held Friday Evening to Nominate Two Directors.

There will be a meeting Friday evening at 7:30 in the court house to nominate two directors for the school board. The nominees will be voted on at the city election, Tuesday, April 7. The retiring members of the board are W. H. Crawford and L. E. Carpenter. The term is for a period of three years.

Good Roads Bulletin Coming.

All lovers of good roads will be interested to know that the state board of agriculture is preparing to publish the proceedings of the recent convention of the State Association of Highway Engineers at St. Joseph, as a bulletin for popular distribution. Requests filed will be filled as soon as the booklet is printed and ready for mailing.

Moving to Savannah.

Mr. and Mrs. B. L. (Roy) Wray left Wednesday morning for Savannah to make their home. Mr. Wray will travel for the Watkins Medicine company. He has been a rural mail carrier out of Maryville for several years.

Miss Elizabeth Ashford went to St. Joseph Wednesday morning on business.

FOUND TRACE OF RELATIVES.

Sister of Heimburg, Who Was Killed, Lives in Denver, Col.

Price & McNeal received word from Sedalia Wednesday noon that Mrs. Gordon K. Cecil, who formerly lived there, is a sister of "Dutch Charlie" Heimburg, who was killed here last Friday. Mr. and Mrs. Cecil moved to Denver, Col., about twenty years ago, and he is an engineer on the Union Pacific railroad out of Denver. A telegram was sent to them Wednesday afternoon.

The body will be held at the undertaking parlors of Price & McNeal until the last of the week, and if it is unclaimed it will be taken to the vault at Miriam cemetery.

APRIL FOOL MAN BUSY.

No One Exempt From His Prankishness in Some Form or Another Wednesday.

The April Fool man was busy everywhere Wednesday, and no man has been exempt from his prankishness in some form or other.

He got started after we all went to the postoffice, it seemed. For we went to the postoffice to greet the new postmaster and give him our good wishes, when there in every box was a duebill for box rent. It served as a damper on ardent spirits and stirred up a get even feeling toward most anybody that came along, and the pranks began.

But one of the court house "rats" is in a muddle and don't know where to lay his April Fool, whether on the new postmaster or a St. Joseph friend. His head is whirling yet in figuring out the correct meaning of the following letter he received this morning:

Ohio, Columbis, October de twiced.—Dear old Flat Head: As I have nothing to do, and wish to do it, I tout I would took my pen and bottle of ink in mine handt and typewrite you a few ladders, blease oxcuse dis lead pensil.

We are all well ad present, uxcept my brudder, he was kicked in the subuxbans last night by a mule—de mule is not expected to live.

Your rich aunty who died from patpilation of the heart, when you was here is still deadt and doing nicely. Hope dis will find you de same. After she diedt day found fifteen tousand dollars sewed up in an old bussell that she left behindt, so you are therefore no longer a poor man, but a Dutchman.

Your brudder will went to work diss morning; de job will get oudt sooner on good behavior.

Business has been dull since you left—expecially the saloon business. Your wife was took to de insanity asylum yesterday—she was crazy to see you.

I saw your little boy this morning for de first time. I think he looks just like you, but he is all right otherwise, so I would not worry aboudt dat if I wass you.

I am sending you by Adams express your overcoat, and as day charge so much a poundt to send it, I cut off de buttons in de inside pocket.

I almost forgot to tell you I got married last week. I got a pretty good wife. She is from Milo, but I think I could have got a better one at Westerville, as they have a larger stock to select from.

As diss is all I got to say, I will klose my face and expect you to do the same.

Hoping dis will reach you before you get it, and that you will answer before dat, I remain your confectionary second to de last kousin.

OTTO MOBILE.

P. S.—In case you do not get this letter, write me and let me know and I will send it to you at onced.

Death at Quitman.

Ethel Barnes of Quitman, formerly Mrs. Harry West, died at 8 o'clock Wednesday morning at the home of her mother, Mrs. Nannie Banes. The deceased had been sick a year. She was about 35 years old. The funeral arrangements have not been made.

Took Mother Home.

Mrs. A. H. Schnaitman of St. Joseph returned to her home Tuesday evening from a brief visit with her brother, Herman Barton, and family. She was accompanied by her mother, Mrs. Louise Barton, who will make her home with her in future.

Start Home Thursday.

Mrs. Eugenie Schenck and daughters, Misses Aurene and Kate Schenck, who have been spending the past several months in Los Angeles, Cal., will leave that city Thursday for their home in this city.

Home From Visit.

Mrs. R. L. Finch and son have returned from their visit in Grant City. Rev. Finch went to St. Joseph to meet them on their trip home.

IN SESSION TODAY

COUNTY CONVENTION OF M. W. A. CAMPS.

TO SELECT DELEGATES

To State Convention—Fifteen Camps in County and Nearly All of Them Represented.

A county convention of the M. W. A. camps of Nodaway county is being held this afternoon at the M. W. A. hall in this city. There are fifteen camps in the county and they are: Elmo, Skidmore, Barnard, Guilford, Maryville, Clearmont, Quitman, Burlington Junction, Hopkins, Parnell, Gaynor, Pickering, Ravenwood, Clyde and Conception.

The purpose of the meeting is to select two delegates from this county to the state M. W. A. camp, which meets in Sedalia in May, and also to discuss matters pertaining to the lodge. The state camp will select delegates to the national camp, which meets at Toledo, O.

The following are some of those in attendance at the meeting:

Guilford—Carl Wray, Dr. A. D. Barnet, A. C. Wilson, G. C. Weathermon, Hugh Ellis, J. H. Edelman, C. C. Reynolds.

Parnell—Elias Klaas and J. T. Logan.

Hopkins—J. F. Robb, Charles Flemming, Will Chaney, George Dooley, Charles Wood.

Skidmore—R. A. Walker, W. N. Blackney, G. W. Devers, A. J. Dawson, F. H. Barrett and G. H. Patterson.

Elmo—E. A. Bailey and A. G. Castillo.

Gaynor—B. H. Cooper.

DeHart & Holmes Have Moved to the Lieber Building.

The jewelry firm of DeHart & Holmes have finished moving into their new location in the Lieber building, west side square. The store room has been thoroughly remodeled for them. They are busily engaged in arranging their stock and expect to be ready to open in a few days.

CROP OUTLOOK GOOD.

Wheat in Nodaway County in Fine Shape, Says Sam Carrough.

Samuel Carrough of Nodaway county, a frequent shipper to the St. Joseph market, declares that crop conditions were never better in his section. Mr. Carrough brought in a load of cattle today.

Mr. Carrough says that a large acreage of oats was sown in his vicinity before the recent rains. Winter wheat looks fine, he reports. Nodaway county farmers have only recently begun raising wheat rather than corn. Many have found wheat to be a well paying crop.

"Grass is starting up fine, and with a little warm weather pastures will soon be ready to turn stock on. We have had enough moisture to insure plenty of grass," added Mr. Carrough.—St. Joseph Stock Journal.

Visitor From Kansas.

Mrs. B. A. Hildreth of Herrington, Kan., is visiting her husband's parents, Mr. and Mrs. B. F. Hildreth, and W. T. Gray and family. She went to Pickering Tuesday to attend the funeral of Mrs. Mary Gray.

J. L. Thompson and George Ballard of Guilford were in the city Wednesday on business.

There are no jobs too large or too small. Your business will be appreciated. Arnett & Blackwell.

Baptist Meeting Postponed.

The Woman's Missionary society of the First Baptist church which was to meet Friday afternoon of this week has been postponed to a later date.

Wednesday Dinner Guests.

Dr. and Mrs. Leslie Dean entertained at 12 o'clock dinner Wednesday. Their guests were Mrs. Lafayette Hagins, Miss Maud Hagins and Donald Hagins.

Mrs. Braniger Hostess.

The Woman's Foreign Missionary society of the First M. E. church will meet Thursday afternoon at 2:30 at the home of Mrs. R. S. Braniger.

D. A. R. Postponement.

The D. A. R. chapter will not meet during April. The next meeting will be held May 2 at the home of Mrs. Anderson Craig.

Royal Neighbors Thursday.

The Royal Neighbors will meet Thursday afternoon in Modern Woodmen hall. There will be extra work and a large attendance of the members is urged.

Change in Meeting Place.

The C. W. B. M. of the First Christian church will meet Friday afternoon at 2:30 o'clock at the home of Mrs. F. P. Reuillard, 310 East Fourth street. The president requests a full attendance of the members, as some important plans will be up for discussion.

Visited Their Daughter.

Mr. and Mrs. F. I. Dunn of Bolckow arrived in Maryville Tuesday night from Columbia, where they had been visiting a few days with their daughter, Miss Helen Dunn, a state university student. As Miss Dunn will spend her Easter vacation in St. Louis, the guest of university classmates, Mr. and Mrs. Dunn made their Easter visit with her at this time. Mr. Dunn returned to Bolckow Wednesday morning, but Mrs. Dunn remained until the Wednesday evening train, the guest of her sisters, Mrs. W. C. Frank and Mrs. J. R. Brink.

M. I. Circle Meeting.

Tuesday afternoon's meeting of the M. I. Circle was considerably interfered with on account of sickness among the members. The meeting was held in the Price-McNeal rest rooms. The Circle united in reciting the 23d Psalm for the devotional service. Roll call was responded to with excellent household hints. Mrs. W. O. Garrett gave a paper on "The High Cost of Living." She could give no remedy at present, unless we are willing to go back to primitive days and ways, and believes that "The Cost of High Living" is really the cause for the discussion of the much-in-evidence question "High Cost of Living." Mrs. Eugene Ogden read a delinquent paper on "A Trip to Ireland." Mrs. Halley was critic.

Surprise on Her Birthday.

A surprise dinner was given Mrs. Sarah Scovill by her daughter, Mrs. Neal Helard, it being Mrs. Scovill's eighty-third birthday anniversary. It has been Mrs. Helard's custom for years to celebrate this occasion with a dinner. A beautiful cake with name and age was given by Mrs. Helard. Mrs. Scovill received about $8 in money. After dinner James Carpenter came and took grandma's picture. Those present were Mr. and Mrs. Albert Helard and children, Donovan, Anna and Elizabeth; Mrs. L. Conklin, Mr. and Mrs. James Middleton and son, Mr. and Mrs. Charles Culverson, Gladys and Bill Culverson and Mr. and Mrs. Neal Helard.

Responded to Welcome Speech.

Mr. and Mrs. F. L. Flynt returned Monday night from Plattsburg, where on last Friday they attended the reunion and banquet of the high school class of 1904, of which Mr. Flynt was a member. A program was given for this class in the afternoon in the room where all had studied, by the class of 1914, and the reunion came later. All the twelve members of the class were present at the banquet at the leading hotel that night, and Mrs. Flynt and the husband of one of the girls in the class were made honorary members. W. C. Perkins was the toastmaster and gave the address of welcome, which was responded to by Mr. Flynt. The class toast was given by Miss Lulu Atwell of St. Joseph. Another reunion was agreed on in five years.

Prayer Meeting at Christian Church.

The prayer meeting at the First Christian church tonight will be led by the minister, Robert L. Finch, instead of F. L. Flynt. Let all members take notice. The meeting will begin at 7:30.

Overland $950

Completely Equipped
With electric starter and generator---$1075
Price f. o. b. Toledo

Now is the Time

WHEN bright little Miss Spring comes cheerfully bobbing into your midst and gruff Mr. Winter goes grumbling and sliding out of sight—when old mother earth is thawing out and inviting you and yours to stay and play out in the open—when every single road coming and going from your farm is automatically cleared by nature and opened up for a big spring business—when the days get longer and the sun gets warmer—when the welcome robins and tiny buds appear and the slush, snow and ice disappears—that's the time to get your new Overland and open her up to your heart's content. And you need it more than you probably realize.

What's more—your whole family needs it.

Think of Your Family

They, too, want to get out of their former small and narrow path. They, too, want to go hither and thither—seeing, learning, playing, working; enjoying, broadening and accomplishing.

For life can be just what you make it—dull, forlorn and narrow or just chuck full of everlasting fun and enjoyment.

Even work becomes light under the proper conditions. Remove the dreary drudge and you get light-heartedness in all of its efficient youth and glory.

That's what an Overland can do for you and yours!

"Yes"—you say, "but what costs a whole lot of money."

There's where you are wrong.

It doesn't cost a whole lot of money.

Do you realize how much automobile you get in an Overland? Do you realize that it is a great big five passenger touring car? That it has the power to take you wherever you want to go and that it is built to last for years and years and years.

A Big, Beautiful, Powerful Car

Don't confuse the Overland with those small dinky cars. Because our price is so exceedingly low people often class us with those small affairs. Our price is low because we manufacture cars on such a gigantic scale that we can make them more economically than anyone else in the business. This year we will produce 50,000 cars. Think of it! And that's the reason our price is 30 per cent under anything on the market.

The Overland is a big car—a roomy car—a powerful car—a beautiful car—a comfortable car—dependable to the last degree.

In fact the mechanical construction of the Overland could be no better---regardless of price.

Then the Overland is right up-to-date in every respect. The body is finished in rich brewster green--- trimmed in highly polished nickel plate and aluminum. It has a graceful cowl dash. There are electric lights throughout even under the dash. The motor is powerful, speedy, smooth and quiet. The wheelbase is long and the tires are large. It is remarkably economical on oil and gasoline.

Right Up-to-Date

The 1914 Overland is beyond question the greatest automobile buy in the world. It has all the improvements, refinements, features and finish of a high priced car, yet costs but 30 per cent less than any other similar car made.

It is up to you. Spring is here. There are months and months of perfect automobile weather ahead of you and an Overland will bring you a greater return on your money than you can get from any other form of investment.

See this car today. Call, write or phone for demonstration.

STRENGTH FOR OLD PEOPLE.

A Simple Remedy Which Favors Longevity.

You act as though you just wondered how you are going to get through this trying season and do your work.

You may be overworked or have had a bad cold which has left you without strength, ambition or much interest in life; in fact, you are all run down.

Let us tell you that Vinol, our delicious cod liver and iron tonic, is just the remedy you need to rebuild wasting tissues and replace weakness with strength.

A prominent Boston lawyer says: "My mother, who is 76 years of age, owes her good health to Vinol as since taking it she can walk farther and do more than she has for years. I consider it a wonderful blood making and strength creating tonic."

We have such faith in Vinol that if it does not quickly build you up, restore your strength and make you feel well again, we will return your money. Try Vinol on our guarantee. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

Missouri Cattle the Best.

Americus, a Shorthorn bull, out of a Missouri bred cow, a cow from the Ravenswood herd in Cooper county, has just been sold in the Argentine Republic for 33,968 gold dollars—$33,968. The Ravenswood herd was the first herd of Shorthorns to be established west of the Mississippi river—and this South American sale goes far toward showing the superiority of Missouri live stock. In the recent sale of Hereford cattle from the Warren T. McCray herd in Indiana, the highest priced bull sold came to Jasper county, Missouri. The price was $3,750.

WE feel it is worth while using this space today just to talk frankly on the subject of "Early Season Buying or Late Season Business." Some people do not agree with us and we have very successful late season Clearance Sales.

So it works both ways for us, but still we know that the early season buyer is the most satisfied buyer, because he is not watching a few pennies saved against a lot of satisfaction lost.

You come in while the stocks are fresh and have a wide range of choice—You get what you want—You feel better because you are wearing new clothes when you should wear them—you get full season service from them and can discard them with a feeling of contentment and not have to wear old styles next season. In order to get your money's worth.

We are all more or less proud and it really pays to cater to that pride—it means ease of mind and that is worth while. Why be uncomfortably dressed for two or three months waiting for pick-ups.

Prices at this store are always based on 100 cents worth for a dollar whether you buy early or late.

State University Items.

To popularize debating, the university sends packages to the high schools of the state containing books, references and clippings on selected subjects.

The American graduate school of agriculture has selected the university for its next session. Agricultural authorities from all over the world will give instruction to Missouri men and women. The session will be held this summer.

That Missouri farmers are setting aside $30,000,000 annually to feed insects is the estimate made by Leonard Haseman, chief orchard and nursery inspector at the university. Mr. Haseman desires the co-operation of all farmers, fruit growers, nurserymen and florists in the state in fighting the insects.

Twenty large buildings and a number of smaller ones are necessary to give instruction to the men and women of the state who go to the university.

Any person in the state of Missouri may get free information relating to the prevention of diseases if he will write to the school of medicine.

TORREON IS STILL STANDING

Position of Mexican Armies Reported Unchanged.

HUERTA ARMY LEAVES SALTILLO

State Department Hears Large Federal Reinforcements Arriving From East State—Rebel Officials Say City Will Fall Soon, but Can't Say When.

Juarez, Mex., April 1.—General Carranza stated positively that while there was every reason to hope for the early capture of Torreon, the town has not yet fallen, and that the position of the troops have not materially changed in the last twenty-four hours.

This information was given out through Robert V. Pesquiera, confidential agent of the constitutionalists and Alfredo Breceda, secretary to General Carranza. They also traced to its origin the report that the city had fallen.

The town burst into flame when a rebel official exhibited to Americans a telegram, sent by Theodore Hamm, American consul at Durango, to secretary of State Bryan. It said he had been informed that Torreon had fallen.

"The situation in a nutshell," said Senor Pesquiera, "is that the capture of Torreon seems certain, but no one can predict when."

The only available news at rebel headquarters in Juarez was that fighting continues at Torreon.

While rebel officials at Chihuahua are optimistic as to the outcome of the battle of Torreon, they said that the absence of official reports indicates that General Villa is meeting with stubborn resistance.

Three Messages Received.

Washington, April 1.—Three official telegrams were received at the state department from Consul Hamm, the American diplomatic representative at Durango, Mex., concerning the reported capture of Torreon by General Villa's forces.

The first two messages reported that the federals were then evacuating Torreon. The third telegram, however, explained that the previous messages were "premature and unreliable."

It added that large federal reinforcements were arriving at Torreon "from the east." It was explained that strong federal reinforcements for Torreon left Saltillo Saturday.

EIGHTY PER CENT PAY FARE

People Refuse to Ride for Nothing on Toledo Street Cars.

Toledo, O., April 1.—Officials of the Toledo Railway and Light company reported that the patrons of their lines were becoming "conscience stricken" and that approximately 80 per cent of the passengers paid 5-cent fares. The company continued its policy of allowing all who insisted on paying 3-cent fare to ride free.

The fight over the 3-cent fare ordinance is at a standstill.

City Solicitor Thurstin urged the people to offer 3 cents until they are ejected from the cars. Negotiations were resumed between the franchise committee of the city council and the representatives of the railway company, but no decision was reported on the proposal made by the company, that the 3-cent fare plan be given a trial and that the rate of fare here be fixed every five years.

Clean House For 1c An Hour

Let The Famous Frantz-Premier Electric Vacuum Sweepe Do Your Cleaning

"Just Turn The Switch"

A Few "Reason-Why" Arguments In Favor Of More Extensive Use Of Vacuum Sweepers

Electricity is a willing servant when properly managed.

Its use will lighten household labor and lengthen days.

Electricity has many uses in the modern home.

Probably the most appreciated electrical appliance is the electric vacuum sweeper.

The electric vacuum sweeper has been proven by continued use to be practical. It is needed in every home.

There are many so-called "electric" vacuum sweepers. Some are made to sell; some are made to give the house-to-house canvasser a job; others are scientifically designed and properly constructed to do their work cheaply, silently and quickly.

The Frantz-Premier is that kind.

We consider it to be the best electric vacuum sweeper that we have ever tested.

It has many advantages over all others.

Exclusive Features of the Frantz-Premier Vacuum Sweepers.

For one thing, it is light and the weight is well distributed. Any woman can carry it in one hand. The ordinary carpet sweeper weighs over 5½ pounds. The Frantz-Premier, completely equipped, weighs only 10 pounds, and it runs easier than any carpet sweeper ever built. A child would have no difficulty in cleaning all the carpets in your home.

Turn the Switch and Let Electricity Do Your Sweeping.

The "on and off" switch is concealed in the handle. It can't get out of order. There is nothing to break off.

To start, simply twist the top of the handle and the swift running motor starts the dust to flying through the carpet Another twist and the motor stops. It's just the same as turning your lights off and on. No experience is required to operate the Frantz-Premier.

A Motor Built for Hard, Continuous Work.

The motor, the "heart" of the electric vacuum, is compact, light and stoutly built. It is simply designed and will last for years. It can be attached to any light socket. It creates a steady suction that takes all the dirt from the carpet. The motor and all metal parts are nickel plated, so that the dust will not stick to them.

The nozzle is extra large—12 by 1¾ inches, which permits of fast work.

The Advantages of a Combination Sweeper.

The Frantz-Premier is a combination sweeper. That is, it has both the brush and the vacuum features. The rapidly revolving brush sweeps the top of the carpet, picks up all threads and lint, loosens the nap and permits the suction to pull the dirt through easily. No electric sweeper is complete without this brush feature. The bacuum can be instantly adjusted to carpets with light, medium or heavy naps. It's always ready for use on the lightest ingrain or the heaviest Brussels carpet.

The bag, which catches all the dirt, can be taken out by unsnapping the tension spring. It is accessible, easily cleaned and can be replaced in an instant.

The Cost of Current Less Than 1c an Hour.

The cost of operating the Frantz-Premier is a trifle. On steady work the cost will be less than one cent an hour, and you can do all the work yourself without taking the carpets from the floor. The yearly cost of running the Frantz-Premier will be less than one cleaning. Compare this to the cost of labor, and the cost of wear and tear on your rugs and carpets when they are cleaned with a beater.

A Doubly Guaranteed Vacuum Sweeper for Only $25.

We guarantee the Frantz-Premier to do satisfactory work. So does the maker. This double guarantee gives you absolute protection against an unsatisfactory machine. The Frantz-Premier is also guaranteed one year against mechanical defects.

The Frantz-Premier is sold at $25, completely equipped and ready for use.

If you are interested in securing the best vacuum sweeper for your money, do not fail to examine the Frantz-Premier. We will gladly demonstrate it any time you are in the store, or if you will telephone we will send it on free trial to your home so that you can test it yourself on your own work.

Before You Buy, See the Frantz-Premier.

Before you buy any vacuum sweeper, either hand or electric, test the Frantz-Premier. One test will demonstrate its merits. We invite a critical comparison between the Frantz-Premier and any other vacuum sweeper.

We show other sweepers besides the Frantz-Premier, and we believe they are the best in their class. They are priced from $7.50 upwards, and both the hand power and the electric are included.

But the best value in sweepers, so we believe, is the Frantz-Premier combination sweeper. That is the reason we want you to see it, provided you are anxious to lighten your household work and are willing to install a "modern" sweeper.

(Vacuum sweepers will be found in the Carpet Section—basement).

Obituary.

Maybelle Marie Lincoln, 7-months-old daughter of Mr. and Mrs. Ray Lincoln of Clearmont, died of kidney trouble Saturday night at 9 o'clock. Although she had not been in good health for a couple of days, her death came as a complete shock. The funeral services were held Monday afternoon at 1 o'clock at the Methodist church in Pickering, conducted by Rev. J. H. Love of Burlington Junction. Burial was at White Oak cemetery.

Mr. and Mrs. Lincoln had recently moved to Clearmont from Burlington Junction, where they had lived since their marriage, about two years ago. They have a host of friends who extend to them their sympathy in this sad hour of bereavement.

WILSON WINS TOLLS VICTORY

Administration Forces Triumph in the House.

MAJORITY OF EIGHTY-EIGHT.

Measure Rescinding Exemption Clause of Canal Act Wins by 247 to 161. Clark Disappoints Those Expecting Him to Attack President.

Washington, April 1.—The house of representatives voted to repeal the provision of the Panama canal act exempting American vessels from the payment of tolls. The vote on the repeal bill was 247 to 161, a majority of eighty-eight votes in support of the personal plea of President Wilson.

This verdict on the issue, which has absorbed congress for weeks, came at the close of a stirring day, made memorable in the annals of the house by a party division, which found Speaker Champ Clark, Majority Leader Underwood and other Democratic chieftains lined up in open opposition to the president on an issue which the latter had declared vital to his conduct of the nation's foreign policy.

On the final vote 220 Democrats in the house stood by the president, giving him in "ungrudging measure" what he asked "for the honor of the nation" in its foreign relations. Twenty-five Republicans and two Progressives also voted to sustain the president. Fifty-two Democrats followed Speaker Clark and Leader Underwood to defeat in their steadfast determination that the president was wrong in his decision that toll exemption for American ships is a violation of the Hay-Pauncefote treaty with Great Britain.

Mak s Speech of His Life.

Nothing, it seemed, could stem the tide of administration success. Speaker Clark, for nearly twenty-two years a member of the house, made the speech of his life to forestall what he termed "unquestionable degradation" of the nation. In this he failed, but he did smooth over the party breach with kindly words for his adversaries, praise for President Wilson and an unqualified denial of any vaulting ambition on his own behalf.

Speaker Clark, closing the debate against the repeal, disappointed those who expected him to attack President Wilson. He disclaimed any personal issue with the president, declared he believed Mr. Wilson was actuated by the highest patriotic motives and that there was no breach in the Democratic party. He argued at length against the president's contention and declared that "the amazing request of the president for the repeal, like the peace of God, passeth all understanding." He disclaimed any personal issue between the president and himself and added that if the president had reasons "which are not utterly untenable and which compel him to make this request," he had not given them to the house. He differed from the president's statement that toll exemption was "a mistaken economic policy," but admitting dispute on that point, proposed that the exemption be suspended two years. He contended that the president was mistaken in the view that the exemption was repugnant to the Hay-Pauncefote treaty.

Speaker Clark departed from the text of his prepared speech to dramatically declare: "I would rather see the Panama canal walled up than to give the British people any control of it. It's ours forever, for better or worse."

When Speaker Clark had closed the debate for the opposition to the repeal with an impassioned argument, he was triumphant in defeat, for the entire legislative assemblage, in which were many senators, rose to cheer him.

Now Goes to Senate.

The bill now goes to the senate, where the fight will be renewed with all the vigor and determination that attended it in the lower house.

In the senate the bill will be referred to the committee on interoceanic canals, of which Senator O'Gorman of New York, a vigorous opponent of the measure, is chairman. Senator O'Gorman has said he would call a meeting of the committee at once to consider the bill.

That there will be a fight in that committee is certain. How long it will be there cannot be predicted, but administration senators propose that a vote shall be taken by the committee within a reasonable time. Senator Owen is leading the fight for the president there.

Towns of Kentucky Menaced.

Lexington, Ky., April 1.—Reports reaching here from the mountain sections stated that while the torrential rains during the last four days had stopped, Hazard, Ky., still was under water, and that Beattyville, Saylorsville and West Liberty, Ky., were threatened, as the rivers continued to rise. The Kentucky river and its tributaries have gone out of their banks.

Condition of Bennett Reported Worse

London, April 1.—A Cairo dispatch says that James Gordon Bennett, proprietor of the New York Herald, after showing considerable improvement in physical condition, has become worse.

T. D. Sullivan, Irish Author, Is Dead.

Dublin, April 1.—Timothy Daniel Sullivan, eighty-seven years old, author of "God Save Ireland," died here

TICKET IS CHOSEN

AT NON-PARTISAN CONVENTION HELD TUESDAY EVENING.

A LARGE CROWD THERE

Gus Romasser Picked For Mayor by Acclamation—Convention Opened by Mayor Robey.

Mayor—Gus Romasser.
Collector—J. G. Grems.
Marshal—E. C. Moberly.
Alderman first ward—Jesse Fisher.
Alderman second ward—C. F. Welborn.
Alderman third ward—H. L. Raines.
Alderman fourth ward—W. A. Tindall.

The above is the non-partisan ticket nominated at the convention Tuesday evening. About 500 people were in attendance, one of the largest crowds that ever attended a non-partisan convention.

The convention was called to order at 7:30 by Mayor A. S. Robey. Mr. Robey said that the convention was called by the city council for the purpose of selecting for the city offices good men who would devote their time to the city's interests. He stated that the convention was open to all citizens of Maryville, and asked that the best men possible be picked for the city offices.

By a unanimous vote George Pat Wright was selected as chairman and George B. Baker as secretary of the convention. On motion of J. S. Shinabargar the offices were taken up in the following order. Mayor, collector, marshal and an alderman from each ward.

R. F. Hamblen nominated A. Romasser for mayor. As there were no other nominees, Mr. Romasser was declared the nominee of the convention by acclamation. Through a storm of applause he proceeded to the front and made a speech.

Will Hughes placed in nomination for collector, Mr. John G. Grems. Mr. Grems was declared the nominee of the convention by acclamation.

The convention looked for a contest for the office of city marshal, and everyone was surprised when only one man was nominated. E. E. Williams placed in nomination E. C. Moberly, whom he said was Maryville's best chief of police. Mr. Moberly was declared the nominee by acclamation. The chief was called on for a speech and complied with the request in a very pleasing manner.

The convention was divided into the four wards so each ward could select its own candidate. In the first, Jesse Fisher was placed in nomination by H. F. Leet. Mr. Fisher was declared the nominee for alderman from the first ward.

In the second ward C. F. Welborn was selected as alderman by acclamation. In the third ward two candidates were named, H. L. Raines and Charles McNeal, Mr. Raines winning by a vote of 21 to 10.

In the fourth ward W. A. Tindall and Ben Hildreth were placed in nomination. Mr. Tindall won by a large vote, 138 to 27.

To the Voters of Maryville:

We, the undersigned, having been solicited by a large number of voters of Maryville, by petition, to become candidates on the People's ticket for city offices at the coming city election, as follows:

For mayor—U. S. Wright.
For city marshal—E. C. Moberly.
For collector—Sam G. Selecman.
For alderman first ward—Hal T. Hooker.
For alderman second ward—Frank Garrett.
For alderman third ward—Charles McNeal
For alderman fourth ward—W. A. Tindall,

Do hereby accept the nomination on said ticket as above set out, and respectfully solicit the support of our friends in our behalf.

U. S. WRIGHT.
E. C. MOBERLY.
F. L. GARRETT.
HAL T. HOOKER.
W. A. TINDALL.
SAM G. SELECMAN.

Went to Ford City.

Miss Nelle Lynch went to Ford City Wednesday on account of the illness of her brother, J. A. Lynch, who has been very sick of pneumonia. He is much better at present. Mr. Lynch's parents, Mr. and Mrs. Dan Lynch, went over to Ford City last week.

TEACHERS MET AT RAVENWOOD.

Organized Last Wednesday For Graduating Exercises and Field Meet For April 18.

The teachers of Jackson township met at Ravenwood last Wednesday evening and organized for the coming graduating exercises and field meet, which will be held on April 18. The following officers and committees were selected:

Chairman—Earle C. Duncan.
Secretary—Vera Wells.
Treasurer—Louise McCann.
Starter—Supt. W. M. Oakerson.
Referee—Rev. C. O. Ransford.
Judges—Euphamia Heflin, Martin Ferril, F. G. Graf, C. C. Tebow, Robert Birbeck.
Committee on prizes—Eudora Day, Maude Evans, Blanche Rimel, Neva Noland, Rosemary Bishop.
Committee on program—Maude Evans, Euphamia Heflin, Vera Wells, Catherine Sweeney, Leland Richards.
Time keepers—Blanche Bloomfield, Edith Marsh.

The events of the field meet are a 50-yard dash, 100-yard dash, 440-yard dash, running broad jump, running high jump, high kick, hopping race, three-legged race, shot put, discus throw, pole vault, ball throwing, riding lance contest, hitching contest. The contestants will be divided into classes of weight and grade.

They expect to have a good meet. The teachers were all enthusiastic and promised to furnish contestants.

The lance contest will be novel and will require some skill in riding. A number of the girls will enter this contest.

Prizes are offered in each event. A large blue pennant will be given as first prize, a red one for second and a white one for third. The expense of the meet will be met by the districts of the township.

The graduating exercises will be held at night on April 18 at the Christian church in Ravenwood. President Ira T. Richardson of the Maryville Normal will deliver the class address. The graduating exercises of the Ravenwood high school and Jackson township will be held jointly this year, since there is but one graduate from the high school.

Over forty pupils will take the examination here on April 10th and 11th, and the class will more than likely be a large one.

MISS HOFFMAN CHOSEN.

Normal Student Will Fill Vacancy in DeKalb High School Faculty.—Left Wednesday.

Miss Dale Hoffman, a daughter of Mrs. Leslie Dean, left Wednesday morning for DeKalb, Mo., to take charge of the classes in Latin and mathematics in the high school there until the end of the school year. A vacancy in this faculty was caused by illness. The superintendent of the schools phoned to the State Normal faculty at Maryville Tuesday afternoon to secure a teacher for his school and Miss Hoffman was recommended. Arrangements were made with her for acceptance about 6 o'clock in the evening.

Miss Hoffman is the youngest member of the senior class at the Normal, and her selection for such a position structors. She will make up her class study during the summer time.

Rainfall For March.

The rainfall for the month of March was 3.46 inches, according to the report of Weather Observer Brink. This rainfall record has only been exceeded once for March since the records have been kept here and that was in March, 1901, when the rainfall amounted to 4.18 inches.

Visited in St. Joseph.

Mr. and Mrs. P. J. Tobin have returned from a few days' visit at the home of Mrs. Tobin's brother, D. F. Sherlock, in St. Joseph. Their son, Thomas Tobin, a student at St. Benedict's college at Atchison, Kan., joined them in St. Joseph Sunday.

Prayer Meeting Tonight.

The Buchanan Street Methodist church will hold its prayer service this Wednesday evening. The pastor, Rev. J. D. Randolph, is still in Louisville, Ky., in a revival meeting with his brother-in-law, Rev. Dr. U. G. Foote.

Coming From Arkansas.

Miss Susie Ellison went to St. Joseph Wednesday morning to meet her sister, Mrs. E. D. Holland of Hot Springs, Ark., who is coming to Maryville on a visit to her parents, Judge and Mrs. W. C. Ellison.

Visiting in Kansas City.

Miss Jessie Parcher went to Kansas City Tuesday evening for a few days' visit with her sister, Mrs. George DeVoe.

Statement of People's Candidate For Mayor

Editors Democrat-Forum:

As my name has been mentioned as a candidate for Mayor on the People's ticket, I will say: Upon the receipt of petitions signed by a large number of prominent citizens, business men, laboring men, bankers and ministers of the churches of the city, I have concluded to accept the candidacy for mayor on the People's ticket.

The men who are back of me are supporting me in the interest of a better and bigger Maryville. Whatever the outcome of the present campaign, I am proud of their support and ask my opponent to say who is back of him.

In order to make my position clear on the vital issues that may be discussed during the campaign, I will say that neither myself nor my friends have any axe to grind. I have made no promises compromising myself in any manner. I will have a free hand in the proper conduct of the city's affairs. My position will therefore be free on any ulterior or mercenary motives, and I promise that if elected I will use my best judgment and every effort to manage the city's affairs in a business-like and efficient manner. I also assure you that I will be fair with all the different interests of the city and that I will use my best endeavors to see that the laws and ordinances of the city are enforced.

I have no hesitancy in stating that as a matter of principle I stand for temperance, and have so stood and voted for several years. As Mayor of the city I pledge the people that the saloons will have to obey the law.

The municipal water plant, being the largest financial institution of the city, and one in which every citizen of the community is intensely interested, should not in my opinion become an issue in this campaign and nothing should be done to hamper its success. To prevent the possibility of its becoming an issue, I invite my opponent to join with me in a statement to the people that the Board of Public Works shall be composed of capable men who will do their utmost to secure the greatest possible success of the plant, and that no political or personal prejudice shall be permitted to influence the conduct of the plant or the members of the Board of Public Works.

If the people of Maryville want me to be Mayor on such a platform I shall consider it my chief pride to serve the city in this capacity; if not, I shall accept their decision with grace and good will.

I was born in Nodaway County, near Maryville, and have lived in the County all my life and feel a just pride in calling Maryville my home. If I can be of use to the citizens, I am at your service and will appreciate your confidence in me.

$140,000 SAVED TO STATE.

$300,000 of Capitol Building Bonds Retired by Fund Commissioners.

That the Democratic state administration is intent on saving money to the taxpayers is shown by an order of the state board of fund commissioners today for retirement of $300,000 of the capitol building refunding bonds. These will be canceled during the week.

The date of maturity of these bonds is 1925, and the rate of interest is 3½ per cent, so that the interest saved on the bonds aggregates $126,000.

In addition to this, the state saves in commissions $14,297.88, which would have had to be paid, under the contract for the sale of the issue had this lot been issued.

FOUND TRACE OF RELATIVES.

Sister of Heimburg, Who Was Killed, Lives in Denver, Col.

Price & McNeal received word from Sedalia Wednesday noon that Mrs. Gordon K. Cecil, who formerly lived there, is a sister of "Dutch Charlie" Heimburg, who was killed here last Friday. Mr. and Mrs. Cecil moved to Denver, Col., about twenty years ago, and he is an engineer on the Union Pacific railroad out of Denver. A telegram was sent to them Wednesday afternoon.

The body will be held at the undertaking parlors of Price & McNeal until the last of the week, and if it is unclaimed it will be taken to the vault at Miriam cemetery.

APRIL FOOL MAN BUSY.

No One Exempt From His Prankishness in Some Form or Another Wednesday.

The April Fool man was busy everywhere Wednesday, and no man has been exempt from his prankishness in some form or other.

He got started after we all went to the postoffice, it seemed. For we went to the postoffice to greet the new postmaster and give him our good wishes, when there in every box was a duebill for box rent. It served as a damper on ardent spirits and stirred up a get even feeling toward most anybody that came along, and the pranks began.

But one of the court house "rats" is in a muddle and don't know where to lay his April Fool, whether on the new postmaster or a St. Joseph friend. His head is whirling yet in figuring out the correct meaning of the following letter he received this morning:

Ohio, Columbis, October de twiced.—Dear old Flat Head: As I have nothing to do, and wish to do it, I tout I would took my pen and bottle of ink in mine handt and typewrite you a few ladders, blease oxcuse dis lead pensil.

We are all well ad present, uxcept my brudder, he was kicked in the subuxbans last night by a mule—de mule is not expected to live.

Your rich aunty who died from patpilation of the heart, when you was here is still deadt and doing nicely. Hope dis will find you de same. After she diedt day found fifteen tousand dollars sewed up in an old bussell that she left behindt, so you are therefore no longer a poor man, but a Dutchman.

Your brudder will went to work diss morning; de job will get oudt sooner on good behavior.

Business has been dull since you left—expecially the saloon business. Your wife was took to de insanity asylum yesterday—she was crazy to see you.

I saw your little boy this morning for de first time. I think he looks just like you, but he is all right otherwise, so I would not worry aboudt dat if I wass you.

I am sending you by Adams express your overcoat, and as day charge so much a poundt to send it, I cut off de buttons in de inside pocket.

I almost forgot to tell you I got married last week. I got a pretty good wife. She is from Milo, but I think I could have got a better one at Westerville, as they have a larger stock to select from.

As diss is all I got to say, I will klose my face and expect you to do the same.

Hoping dis will reach you before you get it, and that you will answer before dat, I remain your confectionary second to de last kousin.

OTTO MOBILE.

P. S.—In case you do not get this letter, write me and let me know and I will send it to you at onced.

Death at Quitman.

Ethel Barnes of Quitman, formerly Mrs. Harry West, died at 8 o'clock Wednesday morning at the home of her mother, Mrs. Nannie Banes. The deceased had been sick a year. She was about 35 years old. The funeral arrangements have not been made.

Took Mother Home.

Mrs. A. H. Schnaitman of St. Joseph returned to her home Tuesday evening from a brief visit with her brother, Herman Barton, and family. She was accompanied by her mother, Mrs. Louise Barton, who will make her home with her in future.

Start Home Thursday.

Mrs. Eugenie Schenck and daughters, Misses Aurene and Kate Schenck, who have been spending the past several months in Los Angeles, Cal., will leave that city Thursday for their home in this city.

Home From Visit.

Mrs. R. L. Finch and son have returned from their visit in Grant City. Rev. Finch went to St. Joseph to meet them on their trip home.

IN SESSION TODAY

COUNTY CONVENTION OF M. W. A. CAMPS.

TO SELECT DELEGATES

To State Convention—Fifteen Camps in County and Nearly All of Them Represented.

A county convention of the M. W. A. camps of Nodaway county is being held this afternoon at the M. W. A. hall in this city. There are fifteen camps in the county and they are: Elmo, Skidmore, Barnard, Guilford, Maryville, Clearmont, Quitman, Burlington Junction, Hopkins, Parnell, Gaynor, Pickering, Ravenwood, Clyde and Conception.

The purpose of the meeting is to select two delegates from this county to the state M. W. A. camp, which meets in Sedalia in May, and also to discuss matters pertaining to the lodge. The state camp will select delegates to the national camp, which meets at Toledo, O.

The following are some of those in attendance at the meeting:

IN NEW QUARTERS.

DeHart & Holmes Have Moved to the Lieber Building.

The jewelry firm of DeHart & Holmes have finished moving into their new location in the Lieber building, west side square. The store room has been thoroughly remodeled for them. They are busily engaged in arranging their stock and expect to be ready to open in a few days.

CROP OUTLOOK GOOD.

Wheat in Nodaway County in Fine Shape, Says Sam Carrough.

Samuel Carrough of Nodaway county, a frequent shipper to the St. Joseph market, declares that crop conditions were never better in his section. Mr. Carrough brought in a load of cattle today.

Mr. Carrough says that a large acreage of oats was sown in his vicinity before the recent rains. Winter wheat looks fine, he reports. Nodaway county farmers have only recently begun raising wheat rather than corn. Many have found wheat to be a well paying crop.

"Grass is starting up fine, and with a little warm weather pastures will soon be ready to turn stock on. We have had enough moisture to insure plenty of grass," added Mr. Carrough. —St. Joseph Stock Journal.

Visitor From Kansas.

Mrs. B. A. Hildreth of Herrington, Kan., is visiting her husband's parents, Mr. and Mrs. B. F. Hildreth, and W. T. Gray and family. She went to Pickering Tuesday to attend the funeral of Mrs. Mary Gray.

J. L. Thompson and George Ballard of Guilford were in the city Wednesday on business.

There are no jobs too large or too small. Your business will be appreciated. Arnett & Blackwell.

Baptist Meeting Postponed.

The Woman's Missionary society of the First Baptist church which was to meet Friday afternoon of this week has been postponed to a later date.

Wednesday Dinner Guests.

Dr. and Mrs. Leslie Dean entertained at 12 o'clock dinner Wednesday. Their guests were Mrs. Lafayette Hagins, Miss Maud Hagins and Donald Hagins.

Mrs. Braniger Hostess.

The Woman's Foreign Missionary society of the First M. E. church will meet Thursday afternoon at 2:30 at the home of Mrs. R. S. Braniger.

D. A. R. Postponement.

The D. A. R. chapter will not meet during April. The next meeting will be held May 2 at the home of Mrs. Anderson Craig.

Royal Neighbors Thursday.

The Royal Neighbors will meet Thursday afternoon in Modern Woodmen hall. There will be extra work and a large attendance of the members is urged.

Change in Meeting Place.

The C. W. B. M. of the First Christian church will meet Friday afternoon at 2:30 o'clock at the home of Mrs. F. P. Reuillard, 310 East Fourth street. The president requests a full attendance of the members, as some important plans will be up for discussion.

Visited Their Daughter.

Mr. and Mrs. F. I. Dunn of Bolckow arrived in Maryville Tuesday night from Columbia, where they had been visiting a few days with their daughter, Miss Helen Dunn, a state university student. As Miss Dunn will spend her Easter vacation in St. Louis, the guest of university classmates, Mr. and Mrs. Dunn made their Easter visit with her at this time. Mr. Dunn returned to Bolckow Wednesday morning, but Mrs. Dunn remained until the Wednesday evening train, the guest of her sisters, Mrs. W. C. Frank and Mrs. J. R. Brink.

M. I. Circle Meeting.

Tuesday afternoon's meeting of the M. I. Circle was considerably interfered with on account of sickness among the members. The meeting was held in the Price-McNeal rest rooms. The Circle united in reciting the 23d Psalm for the devotional service. Roll call was responded to with excellent household hints. Mrs. W. O. Garrett gave a paper on "The High Cost of Living." She could give no remedy at present, unless we are willing to go back to primitive days and ways, and believes that "The Cost of High Living" is really the cause for the discussion of the much-in-evidence question "High Cost of Living." Mrs. Eugene Ogden read a delinquent paper on "A Trip to Ireland." Mrs. Halley was critic.

Surprise on Her Birthday.

A surprise dinner was given Mrs. Sarah Scovill by her daughter, Mrs. Neal Helard, it being Mrs. Scovill's eighty-third birthday anniversary. It has been Mrs. Helard's custom for years to celebrate this occasion with a dinner. A beautiful cake with name and age was given by Mrs. Helard. Mrs. Scovill received about $8 in money. After dinner James Carpenter came and took grandma's picture. Those present were Mr. and Mrs. Albert Helard and children, Donovan, Anna and Elizabeth; Mrs. L. Conklin, Mr. and Mrs. James Middleton and son, Mr. and Mrs. Charles Culverson, Gladys and Bill Culverson and Mr. and Mrs. Neal Helard.

Responded to Welcome Speech.

Mr. and Mrs. F. L. Flynt returned Monday night from Plattsburg, where on last Friday they attended the reunion and banquet of the high school class of 1904, of which Mr. Flynt was a member. A program was given for this class in the afternoon in the room where all had studied, by the class of 1914, and the reunion came later. All the twelve members of the class were present at the banquet at the leading hotel that night, and Mrs. Flynt and the husband of one of the girls in the class were made honorary members. W. C. Perkins was the toastmaster and gave the address of welcome, which was responded to by Mr. Flynt. The class toast was given by Miss Lulu Atwell of St. Joseph. Another reunion was agreed on in five years.

Prayer Meeting at Christian Church.

The prayer meeting at the First Christian church tonight will be led by the minister, Robert L. Finch, instead of F. L. Flynt. Let all members take notice. The meeting will begin at 7:30.

Overland $950

Completely Equipped
With electric starter and generator---$1075
Price f. o. b. Toledo

Now is the Time

WHEN bright little Miss Spring comes cheerfully bobbing into your midst and gruff Mr. Winter goes grumbling and sliding out of sight—when old mother earth is thawing out and inviting you and yours to stay and play out in the open—when every single road coming and going from your farm is automatically cleared by nature and opened up for a big spring business—when the days get longer and the sun gets warmer—when the welcome robins and tiny buds appear and the slush, snow and ice disappears—that's the time to get your new Overland and open her up to your heart's content. And you need it more than you probably realize.

What's more—your whole family needs it.

Think of Your Family

They, too, want to get out of their former small and narrow path. They, too, want to go hither and thither—seeing, learning, playing, working; enjoying, broadening and accomplishing.

For life can be just what you make it—dull, forlorn and narrow or just chuck full of everlasting fun and enjoyment.

Even work becomes light under the proper conditions. Remove the dreary drudge and you get light-heartedness in all of its efficient youth and glory.

That's what an Overland can do for you and yours!

"Yes"—you say, "but what costs a whole lot of money."

There's where you are wrong.

It doesn't cost a whole lot of money.

Do you realize how much automobile you get in an Overland? Do you realize that it is a great big five passenger touring car? That it has the power to take you wherever you want to go and that it is built to last for years and years and years.

A Big, Beautiful, Powerful Car

Don't confuse the Overland with those small dinky cars. Because our price is so exceedingly low people often class us with those small affairs. Our price is low because we manufacture cars on such a gigantic scale that we can make them more economically than anyone else in the business. This year we will produce 50,000 cars. Think of it! And that's the reason our price is 30 per cent under anything on the market.

The Overland is a big car—a roomy car—a powerful car—a beautiful car—a comfortable car—dependable to the last degree.

In fact the mechanical construction of the Overland could be no better---regardless of price.

Then the Overland is right up-to-date in every respect. The body is finished in rich brewster green--- trimmed in highly polished nickel plate and aluminum. It has a graceful cowl dash. There are electric lights throughout even under the dash. The motor is powerful, speedy, smooth and quiet. The wheelbase is long and the tires are large. It is remarkably economical on oil and gasoline.

Right Up-to-Date

The 1914 Overland is beyond question the greatest automobile buy in the world. It has all the improvements, refinements, features and finish of a high priced car, yet costs but 30 per cent less than any other similar car made.

It is up to you. Spring is here. There are months and months of perfect automobile weather ahead of you and an Overland will bring you a greater return on your money than you can get from any other form of investment.

See this car today. Call, write or phone for demonstration.

STRENGTH FOR OLD PEOPLE.

A Simple Remedy Which Favors Longevity.

You act as though you just wondered how you are going to get through this trying season and do your work.

You may be overworked or have had a bad cold which has left you without strength, ambition or much interest in life; in fact, you are all run down.

Let us tell you that Vinol, our delicious cod liver and iron tonic, is just the remedy you need to rebuild wasting tissues and replace weakness with strength.

A prominent Boston lawyer says: "My mother, who is 76 years of age, owes her good health to Vinol as since taking it she can walk farther and do more than she has for years. I consider it a wonderful blood making and strength creating tonic."

We have such faith in Vinol that if it does not quickly build you up, restore your strength and make you feel well again, we will return your money. Try Vinol on our guarantee. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

Missouri Cattle the Best.

Americus, a Shorthorn bull, out of a Missouri bred cow, a cow from the Ravenswood herd in Cooper county, has just been sold in the Argentine Republic for 33,968 gold dollars—$33,968. The Ravenswood herd was the first herd of Shorthorns to be established west of the Mississippi river—and this South American sale goes far toward showing the superiority of Missouri live stock. In the recent sale of Hereford cattle from the Warren T. McCray herd in Indiana, the highest priced bull sold came to Jasper county, Missouri. The price was $3,750.

WE feel it is worth while using this space today just to talk frankly on the subject of **"Early Season Buying or Late Season Business."** Some people do not agree with us and we have very successful late season Clearance Sales.

So it works both ways for us, but still we know that the early season buyer i- the most satisfied buyer, because he is not watching a few pennies saved against a lot of satisfaction lost.

You come in while the stocks are fresh and have a wide range of choice—You get what you want—You feel better because you are wearing new clothes when you should wear them—you get full season service from them and can discard them with a feeling of contentment and not have to wear old styles next season. In order to get your money's worth.

We are all more or less proud and it really pays to cater to that pride—it means ease of mind and that is worth while. Why be uncomfortably dressed for two or three months waiting for pick-ups.

Prices at this store are always based on 100 cents worth for a dollar whether you buy early or late.

Announce Daughter's Birth.

Mr. and Mrs. W. A. Mozingo announce the birth of a daughter March 26th, weighing ten pounds.

Miss Grace Coleman of Villisca, Ia., who has been visiting her sisters, Mrs. John Borrusch and Mrs. M. H. Borrusch, returned home Wednesday.

State University Items.

To popularize debating, the university sends packages to the high schools of the state containing books, references and clippings on selected subjects.

The American graduate school of agriculture has selected the university for its next session. Agricultural authorities from all over the world will give instruction to Missouri men and women. The session will be held this summer.

That Missouri farmers are setting aside $30,000,000 annually to feed insects is the estimate made by Leonard Haseman, chief orchard and nursery inspector at the university. Mr. Haseman desires the co-operation of all farmers, fruit growers, nurserymen and florists in the state in fighting the insects.

Twenty large buildings and a number of smaller ones are necessary to give instruction to the men and women of the state who go to the university.

Any person in the state of Missouri may get free information relating to the prevention of diseases if he will write to the school of medicine.

The college of agriculture of the University of Missouri maintains a free seed testing laboratory.

The University of Missouri has 50,000 acres of land in the Ozark mountains where students in the department of forestry go each year to study Missouri trees.

TORREON IS STILL STANDING

Position of Mexican Armies Reported Unchanged.

HUERTA ARMY LEAVES SALTILLO

State Department Hears Large Federal Reinforcements Arriving From East State—Rebel Officials Say City Will Fall Soon, but Can't Say When.

Juarez, Mex., April 1.—General Carranza stated positively that while there was every reason to hope for the early capture of Torreon, the town has not yet fallen, and that the position of the troops have not materially changed in the last twenty-four hours.

This information was given out through Robert V. Pesquiera, confidential agent of the constitutionalists and Alfredo Breceda, secretary to General Carranza. They also traced to its origin the report that the city had fallen.

The town burst into flame when a rebel official exhibited to Americans a telegram, sent by Theodore Hamm, American consul at Durango, to secretary of State Bryan. It said he had been informed that Torreon had fallen.

"The situation in a nutshell," said Senor Pesquiera, "is that the capture of Torreon seems certain, but no one can predict when."

The only available news at rebel headquarters in Juarez was that fighting continues at Torreon.

While rebel officials at Chihuahua are optimistic as to the outcome of the battle of Torreon, they said that the absence of official reports indicates that General Villa is meeting with stubborn resistance.

Three Messages Received.

Washington, April 1.—Three official telegrams were received at the state department from Consul Hamm, the American diplomatic representative at Durango, Mex., concerning the reported capture of Torreon by General Villa's forces.

The first two messages reported that the federals were then evacuating Torreon. The third telegram, however, explained that the previous messages were "premature and unreliable."

It added that large federal reinforcements were arriving at Torreon "from the east." It was explained that strong federal reinforcements for Torreon left Saltillo Saturday.

EIGHTY PER CENT PAY FARE

People Refuse to Ride for Nothing on Toledo Street Cars.

Toledo, O., April 1.—Officials of the Toledo Railway and Light company reported that the patrons of their lines were becoming "conscience stricken" and that approximately 80 per cent of the passengers paid 5-cent fare. The company continued its policy of allowing all who insisted on paying 3-cent fare to ride free.

The fight over the 3-cent fare ordinance is at a standstill.

City Solicitor Thurstin urged the people to offer 3 cents until they are ejected from the cars. Negotiations were resumed between the franchise committee of the city council and the representatives of the railway company, but no decision was reported on the proposal made by the company, that the 3-cent fare plan be given a trial and that the rate of fare here be fixed every five years.

Scientists Trying to Measure Moon.

Chicago, April 1.—Experiments for the weighing and measurement of the moon are being conducted by scientists at the University of Chicago. These experiments are a continuation of the experiments which satisfied the scientists that the earth is a rigid body, offering enormous resistance to the attraction of planets.

Clean House For 1c An Hour

Let The Famous Frantz-Premier Electric Vacuum Sweepe Do Your Cleaning

"Just Turn The Switch"

A Few "Reason-Why" Arguments In Favor Of More Extensive Use Of Vacuum Sweepers

Electricity is a willing servant when properly managed.

Its use will lighten household labor and lengthen days.

Electricity has many uses in the modern home.

Probably the most appreciated electrical appliance is the electric vacuum sweeper.

The electric vacuum sweeper has been proven by continued use to be practical. It is needed in every home.

There are many so-called "electric" vacuum sweepers. Some are made to sell; some are made to give the house-to-house canvasser a job; others are scientifically designed and properly constructed to do their work cheaply, silently and quickly.

The Frantz-Premier is that kind.

We consider it to be the best electric vacuum sweeper that we have ever tested.

It has many advantages over all others.

Exclusive Features of the Frantz-Premier Vacuum Sweepers.

For one thing, it is light and the weight is well distributed. Any woman can carry it in one hand. The ordinary carpet sweeper weighs over 5½ pounds. The Frantz-Premier, completely equipped, weighs only 10 pounds, and it runs easier than any carpet sweeper ever built. A child would have no difficulty in cleaning all the carpets in your home.

Turn the Switch and Let Electricity Do Your Sweeping.

The "on and off" switch is concealed in the handle. It can't get out of order. There is nothing to break off.

To start, simply twist the top of the handle and the swift running motor starts the dust to flying through the carpet. Another twist and the motor stops. It's just the same as turning your lights off and on. No experience is required to operate the Frantz-Premier.

A Motor Built for Hard, Continuous Work.

The motor, the "heart" of the electric vacuum, is compact, light and stoutly built. It is simply designed and will last for years. It can be attached to any light socket. It creates a steady suction that takes all the dirt from the carpet. The motor and all metal parts are nickel plated, so that the dust will not stick to them.

The nozzle is extra large—12 by 1¾ inches, which permits of fast work.

The Advantages of a Combination Sweeper.

The Frantz-Premier is a combination sweeper. That is, it has both the brush and the vacuum features. The rapidly revolving brush sweeps the top of the carpet, picks up all threads and lint, loosens the nap and permits the suction to pull the dirt through easily. No electric sweeper is complete without this brush feature. The bacuum can be instantly adjusted to carpets with light, medium or heavy naps. It's always ready for use on the lightest ingrain or the heaviest Brussels carpet.

The bag, which catches all the dirt, can be taken out by unsnapping the tension spring. It is accessible, easily cleaned and can be replaced in an instant.

The Cost of Current Less Than 1c an Hour.

The cost of operating the Frantz-Premier is a trifle. On steady work the cost will be less than one cent an hour, and you can do all the work yourself without taking the carpets from the floor. The yearly cost of running the Frantz-Premier will be less than one cleaning. Compare this to the cost of labor, and the cost of wear and tear on your rugs and carpets when they are cleaned with a beater.

A Doubly Guaranteed Vacuum Sweeper for Only $25.

We guarantee the Frantz-Premier to do satisfactory work. So does the maker. This double guarantee gives you absolute protection against an unsatisfactory machine. The Frantz-Premier is also guaranteed one year against mechanical defects.

The Frantz-Premier is sold at $25, completely equipped and ready for use.

If you are interested in securing the best vacuum sweeper for your money, do not fail to examine the Frantz-Premier. We will gladly demonstrate it any time you are in the store, or if you will telephone we will send it on free trial to your home so that you can test it yourself on your own work.

Before You Buy, See the Frantz-Premier.

Before you buy any vacuum sweeper, either hand or electric, test the Frantz-Premier. One test will demonstrate its merits. We invite a critical comparison between the Frantz-Premier and any other vacuum sweeper.

We show other sweepers besides the Frantz-Premier, and we believe they are the best in their class. They are priced from $7.50 upwards, and both the hand power and the electric are included.

But the best value in sweepers, so we believe, is the Frantz-Premier combination sweeper. That is the reason we want you to see it, provided you are anxious to lighten your household work and are willing to install a "modern" sweeper.

(Vacuum sweepers will be found in the Carpet Section—basement).

Obituary.

Maybelle Marie Lincoln, 7-months-old daughter of Mr. and Mrs. Ray Lincoln of Clearmont, died of kidney trouble Saturday night at 9 o'clock. Although she had not been in good health for a couple of days, her death came as a complete shock. The funeral services were held Monday afternoon at 1 o'clock at the Methodist church in Pickering, conducted by Rev. J. H. Love of Burlington Junction. Burial was at White Oak cemetery.

Mr. and Mrs. Lincoln had recently moved to Clearmont from Burlington Junction, where they had lived since their marriage, about two years ago. They have a host of friends who extend to them their sympathy in this sad hour of bereavement.

WILSON WINS TOLLS VICTORY

Administration Forces Triumph in the House.

MAJORITY OF EIGHTY-EIGHT.

Measure Rescinding Exemption Clause of Canal Act Wins by 247 to 161. Clark Disappoints Those Expecting Him to Attack President.

Washington, April 1.—The house of representatives voted to repeal the provision of the Panama canal act exempting American vessels from the payment of tolls. The vote on the repeal bill was 247 to 161, a majority of eighty-eight votes in support of the personal plea of President Wilson.

This verdict on the issue, which has absorbed congress for weeks, came at the close of a stirring day, made memorable in the annals of the house by a party division, which found Speaker Champ Clark, Majority Leader Underwood and other Democratic chieftains lined up in open opposition to the president on an issue which the latter had declared vital to his conduct of the nation's foreign policy.

On the final vote 220 Democrats in the house stood by the president, giving him in "ungrudging measure" what he asked "for the honor of the nation" in its foreign relations. Twenty-five Republicans and two Progressives also voted to sustain the president. Fifty-two Democrats followed Speaker Clark and Leader Underwood to defeat in their steadfast determination that the president was wrong in his decision that toll exemption for American ships is a violation of the Hay-Pauncefote treaty with Great Britain.

Mak s Speech of His Life.

Nothing, it seemed, could stem the tide of administration success. Speaker Clark, for nearly twenty-two years a member of the house, made the speech of his life to forestall what he termed "unquestionable degradation" of the nation. In this he failed, but he did smooth over the party breach with kindly words for his adversaries, praise for President Wilson and an unqualified denial of any vaulting ambition on his own behalf.

Speaker Clark, closing the debate against the repeal, disappointed those who expected him to attack President Wilson. He disclaimed any personal issue with the president, declared he believed Mr. Wilson was actuated by the highest patriotic motives and that there was no breach in the Democratic party. He argued at length against the president's contention and declared that "the amazing request of the president for the repeal, like the peace of God, passeth all understanding." He disclaimed any personal issue between the president and himself and added that if the president had reasons "which are not utterly untenable and which compel him to make this request," he had not given them to the house. He differed from the president's statement that toll exemption was "a mistaken economic policy," but admitting dispute on that point, proposed that the exemption be suspended two years. He contended that the president was mistaken in the view that the exemption was repugnant to the Hay-Pauncefote treaty.

Speaker Clark departed from the text of his prepared speech to dramatically declare: "I would rather see the Panama canal walled up than to give the British people any control of it. It's ours forever, for better or worse."

When Speaker Clark had closed the debate for the opposition to the repeal with an impassioned argument, he was triumphant in defeat, for the entire legislative assemblage, in which were many senators, rose to cheer him.

Now Goes to Senate.

The bill now goes to the senate, where the fight will be renewed with all the vigor and determination that attended it in the lower house.

In the senate the bill will be referred to the committee on interoceanic canals, of which Senator O'Gorman of New York, a vigorous opponent of the measure, is chairman. Senator O'Gorman has said he would call a meeting of the committee at once to consider the bill.

That there will be a fight in that committee is certain. How long it will be there cannot be predicted, but administration senators propose that a vote shall be taken by the committee within a reasonable time. Senator Owen is leading the fight for the president there.

Towns of Kentucky Menaced.

Lexington, Ky., April 1.—Reports reaching here from the mountain sections stated that while the torrential rains during the last four days had stopped, Hazard, Ky., still was under water, and that Beattyville, Saylorsville and West Liberty, Ky., were threatened, as the rivers continued to rise. The Kentucky river and its tributaries have gone out of their banks.

Condition of Bennett Reported Worse

London, April 1.—A Cairo dispatch says that James Gordon Bennett, proprietor of the New York Herald, after showing considerable improvement in physical condition, has become worse.

T. D. Sullivan, Irish Author, Is Dead.

Dublin, April 1.—Timothy Daniel Sullivan, eighty-seven years old, author of "God Save Ireland," died here
